LED TV

USER MANUAL

CONTENTS

1   PREFACE

Thank you for purchasing this LED TV! This manual will help you use all the extensive features of your new TV. Make sure the monitor was not damaged in transit. Should the monitor is damaged, do not install it and contact your dealer. Check that you have all the accessories according to the model.

2   SAFETY PRECAUTIONS

Put the monitor on a stable surface.
Do not use the monitor with others fixations than those provided or suggested by the manufacturer.
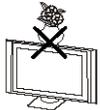

Do not place any material on the monitor.
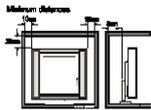

If you have a wall mount, check that it is steady.
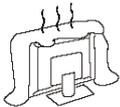

Do not block or cover the ventilation openings on the monitor

Power source
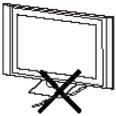

The monitor must be plugged with a tension source of 100-240V and 50/60 Hz.

Connection cables

Power cord and cables must be properly routed and protected to prevent people from stepping on them and causing the monitor to fall.

Heating sources and humidity

Keep the monitor dry and away from humidity.
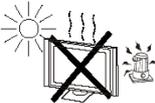

Keep the monitor away from heat sources.

Cleaning and maintenance

Unplug the monitor before cleaning it. Do not use solvents or liquids to clean the monitor. Only clean the monitor with a soft and dry cloth.
In case of troubleshooting, does not use spare parts other than those suggested by the manufacturer. Using inadequate spare parts can lead to electric shocks short-circuits fire or other incidents.

Departure in holidays

Unplug the TV during lighting storms or when unused for long periods of time.
