ToughLink L-shape USB 3.2 Gen2 USB-C Cable

Features

Introducing the mbeat Tough Link L-shape USB 3.2 Gen2 USB-C Cable, featuring a unique 90-degree bend design that enhances usability for gaming, video watching, and charging without obstruction. Perfect for fast PD charging, high-speed data transfer, and high-quality video transmission, it's your all-in-one high-performance connectivity companion.

Effortless Usability & Durability: Experience seamless usability with the unique 90-degree bend design, while its reinforced structure, durable connector, and high-density nylon braided material ensure long-lasting performance.

High-Speed Data Transfer: USB 3.2 Gen2 facilitates lightning-fast data transfer at speeds up to 10Gbps, ideal for fast SSD storage data transfer.

Efficient Charging and Safety: Built-in E-Mark identification IC ensures stable and secure charging, prioritizing safety throughout, keeping your device safe and providing peace of mind.

Fast Charging Compatibility: With 5A/100W PD Charging support and PD 3.0 compatibility, alongside QC3.0 and QC2.0 fast charging support, this cable ensures rapid charging for compatible devices such as USB-C laptops or large capacity power banks.

High-Quality Video Transmission: Experience stunning UHD 4K resolution at 60Hz, ideal for seamless streaming. Supports USB-C monitor or laptop video transmission and USB-C multifunction dock connections.

Specifications

- **USB Version:** USB-C 3.2 Gen2
- **Connector Type:** USB-C L-Shape male to USB-C male
- **Data Transfer Rate:** Maximum 10Gbps
- **Video Resolution:** Maximum 4K/60Hz
- **PD Pass Through Charging:** Maximum 20V, 5A/100W
- **Material:** Aluminium Housing, Nylon Braided
- **Compatibility:** Compatible with New iPad Air, mini, Pro / Macbook, Macbook Pro / USB-C Game Consoles / UltraBook / USB-C compatible Android Phones and Tablets. Note: For 10Gbps data support, ensure your device is capable of 10Gbps fast data transmission. For USB-C video transmission support, ensure your device supports USB-C DP Alt-mode video out. For USB-C video transmission support, ensure your device supports USB-C DP Alt-mode video out. Not every USB-C cable is created as a full-function cable. If your USB-C cable only supports data and charge, the video function will not be supported
- **Cable Length:** 1.8m
- **Product Weight:** 60g
- **Package Dimensions:** 19cm x 12cm x 2.4cm
- **Package Weight:** 85g
