10Gbps M.2 NVMe SATA SSD Enclosure

High Speed Transfer	Reliable and Secure	NVME and SATA Compatible	USB-C	USB-A

Tool-free easy assembly with a heat-dissipating aluminium casing. Accommodates M.2 NVMe and M.2 SATA SSDs up to 4TB of storage.

Connect effortlessly to USB-A or USB-C equipped laptops or PC with a single cable.

Supports Gen 2 data transfer speeds reaching up to 10Gbps for quick data handling.

Compatible with M Key and B+M Key SSDs in sizes 2230 2242, 2260 and 2280.

Product Code: MB-XCS-CM03GRY

EAN: 9346396003692

10Gbps M.2 NVMe SATA SSD Enclosure

Features

Tool-Free Assembly for Effortless Setup
Easily install your SSD with the convenient tool-free design. The aluminium casing efficiently dissipates heat, ensuring optimal performance.

Versatile Storage Options up to 4TB
Accommodate both M.2 NVMe and M.2 SATA SSDs, offering storage solutions of up to 4TB to meet diverse data needs.

Seamless USB Connectivity with 2-in-1 Cable
Connect effortlessly to USB-A or USB-C devices using a single 2-in-1 cable. This simplifies data transfer and broadens compatibility.

High-Speed Gen 2 Data Transfers at 10Gbps
Experience rapid data transfers with Gen 2 support, reaching speeds of up to 10Gbps. Ideal for efficient management of large files and data-intensive tasks.

Wide SSD Compatibility for Your Needs
This enclosure supports various M Key and B+M Key SSDs, available in sizes like 2230, 2242, 2260, and 2280, ensuring compatibility with your specific SSD requirements.

Specifications

- **Support SSD Type:** M.2 NVMe (M Key & B+M Key) & M.2 SATA (M Key)
- **Support SSD Size:** 2230 / 2242 / 2260 / 2280
- **Support SSD Capacity:** Max. 4TB
- **Transfer Speed:** Max. 10Gbps
- **USB Compatibility:** USB 3.2 Gen 2 backward compatible with USB 3.1, 3.0 & 2.0
- **OS Compatibility:** Win XP/7/8/10/11, Mac OS 10.2+, Linux
- **Cable Type:** 2-in-1 USB-A & USB-C
- **Cable Length:** Approx. 30cm
- **Product Dimensions:** 107mm × 32.4mm × 13.1mm
- **Product Weight:** 46g
- **Package Dimensions:** 175mm × 95mm × 20mm
- **Package Weight:** 102g
- **Package Contents:** M2.SSD Enclosure × 1, Manual × 1, 2-in-1 Data Cable × 1
