8K Bi-directional HDMI 2.1 Switch 2 In 1 Out / 1 In 2 Out

Features

Introducing the mbeat 8K Bi-directional HDMI 2.1 Switch 2 In 1 Out / 1 In 2 Out. Switch between two HDMI sources and one display, or one source and two displays effortlessly. Enjoy up to 8K@60Hz resolution, plug-and-play convenience, and durable aluminium construction. Includes USB-C power input for stable signal transmission.

Flexible Bi-Directional Functionality: Switch effortlessly between two HDMI sources and one display, or toggle between one HDMI source and two displays, all at the push of a button.

High-Resolution Support: Enjoy stunning visuals with support for resolutions up to 8K@60Hz, 4K@144Hz/120Hz/60Hz, and 1080P@240Hz, backed by HDMI 2.1 compatibility for a super-immersive viewing experience.

Premium Build Quality: Made of durable aluminium alloy, this compact switcher withstands daily wear and tear.

Plug and Play Convenience: No external drivers needed – simply push the button to select your desired source or display. Compatible with a wide range of devices featuring standard HDMI interfaces.

Enhanced Power Compatibility: Includes USB-C power input for stable signal transmission, ensuring optimal performance even in scenarios where the HDMI port may not provide sufficient power.

Specifications

- **HDMI Version:** HDMI 2.1 and backward compatible with 2.0
- **Support Resolution:** Maximum 8K/60Hz, 4K/144Hz/120Hz/60Hz, 1080P/240Hz
